Enthusied craft, sensuous roots.

Grüner Veltliner ROSENGARTEN Traisental DAC 2016

Variety: Grüner Veltliner

Origin: Traisental, Austria

Analysis: dry
Alcohol: 12.5 % vol

Quality: Traisental DAC

Potential: 2017 - 2021

Site: The Rosengarten site is planted on a slope, inclined in south-easterly direction with deep lice soil, an ideal terroir for full-bodied and fruity “Grüner Veltliner”.

Winemaking: Selection of prime grapes, de-stemmed, crushed and after short fermentation with the skins pressed gently in pneumatic press. Temperature-controlled fermentation in stainless steel tanks followed after fining by aging in stainless steel tanks.

Serving: Serve chilled (9-11°C.), fits well with typical Austrian cuisine, like pork stew with dumplings, “Viennese Schnitzel” or fried chicken.
